**E.M.G. YADAVA WOMEN'S COLLEGE, MADURAI-14****IN COLLABORATION WITH****TARCIN ROBOTIC LLP**

This is to certify that **Vengada Keerthana S (23PMA05)**, Student of E.M.G.Yadava Women's College, Madurai, underwent Internship in our company from **27.08.2024** to **31.08.2024**.

Her internship activity includes hands-on experience with **Vedic Mathematics**, focusing on implementing mathematical techniques using the **C programming language**. The tasks involve applying Vedic mathematical methods programmatically, utilizing **C** to enhance computational efficiency and accuracy. She collaborates with professionals to gain deeper insights into optimizing Vedic math algorithms through structured coding practices in **C**.

During the training period the performance of the trainee was found to be good. We wish her success in her life and career.
