## **Kalam's club**

The department of physics started Kalam's club at 2016. Every year we are conducting Kalam's club as quiz competition in our department. It has seven groups named as "VIBGYOR" of Violet, Indigo, Blue, Green, Yellow, Orange and Red. All Students are come under these seven groups as per lot. We organize Seven rounds of quiz named as General physics, Reasoning, Inventions, Instruments, Components, Testing connections, Rapid fire. Kalam's Club enhance the knowledge ,abilities and skills of students in the fields of physics. Moreover it helps to Measure their growth in the academic field.
