Subject: Regrading AIEDP Spoke College enrollment

Greetings from EDII-TN.

EDII-TN is pleased to inform you that E.M.G YADAVA WOMENS COLLEGE has been admitted under the Academic Innovation and Entrepreneurship Development Programme (AIEDP) of EDII-TN based on your online application. Your institution has been attached with the Madurai as a spoke institution. The main objective of the programme is to promote innovation and entrepreneurial ecosystem in campuses, through various activities.

EDII-TN organizes Top Management Meets to sensitize college management about the importance of entrepreneurship, establishing E-cells, encouraging the students to participate in entrepreneurship curriculum course and entrepreneurial activities. To help students develop their innovative ideas into a prototype and commercialize the ideas, EDII-TN is organizing the Tamil Nadu Student Innovators programme. EDII-TN has also entered into a MoU with the Tamil Nadu Open University to launch a 6-month certificate course on entrepreneurship. EDII-TN will reimburse the course fee for E-cell members who complete the course successfully. EDII-TN will also train student representatives to run the E-Cell successfully and organize various entrepreneurial activities.

Various other programmes will also be organized through the hub for the benefit of faculty and students interested in entrepreneurship. The State will bear almost the entire cost of such programmes.

We hope that your institution plans to establish an E-cell for your students. Please register your E-cell with EDII-TN from our website iedp-edii.in using your unique ID. The UID for your institution is A03209rlCkd_E5. Please ask the E-cell representatives to upload the activities under the IEDP portal of EDII. The E-cells will be ranked based on their activities and the events organized and the best E-Cells will be rewarded.

If your institution has already established or is interested in establishing business /technology business incubator, EDII-TN will facilitate training for your personnel to run the incubator successfully. If interested you may write to us with details.

To participate in IEDP programmes/workshops in our region please be in touch with the Hub Coordinator Dr.S.Chandran Mobile: 9444108500. You may also watch the EDII portal (www.edii.in) for upcoming events. For any clarification please contact Mrs. RV Shajeevana, Addl. Director(Mobile: 9445003123) or Mr. R Shiva Shankar, Dy. Director (Mobile: 8668100031).
