

E.M.G. YADAVA WOMEN'S COLLEGE, MADURAI – 625 014.

**(An Autonomous Institution – Affiliated to Madurai Kamaraj University)
Re-accredited (3rd Cycle) with Grade A⁺ and CGPA 3.51 by NAAC**

4.1.3 - Number of Classrooms and Seminar Halls with ICT-enabled facilities.

The Departments and classrooms are enabled with ICT facilities. The teachers use ICT based teaching aids like PowerPoint presentations, video lecture, Multimedia usage, online materials and other learning resources. Student's admission and fees payment are done through the secured end to end encrypted online gateway using unique ID for each student.

The ICT enabled teaching-learning system has gained highest significance during the COVID-19 pandemic. The pandemic situation forced the educational institutions to close down and thereafter online teaching has become the order of the day and only mode to continue the education. **1. Google Meet**, (To enrich the teaching and learning with advanced features like breakout rooms, live streaming, attendance tracking, Q & A, etc., when you sign up for the Teaching and Learning Upgrade). **2. WhatsApp** (Both visual and audio content can easily be accessed through WhatsApp). **3. Google classroom** (Teachers can facilitate online discussions with students and create group projects using tools with videos; students are able to drive conversations with each other and complete their assigned projects). It is created for students of every batch for easy communication between teachers and students. Adaptation of online technologies enhanced the teaching and learning process particularly in the pandemic situation.
