SOCIAL JUSTICE DAY CELEBRATION

Objectives:

- To induce the necessity of human rights and equality for the benefit of society.

Program Outcome:

Upon successful completion of the event, students gained an appreciation for the need to promote social justice, encompassing efforts to address issues such as poverty, gender inequality, unemployment, human rights, and exclusion.

Report:

On September 17, 2021, our college celebrated "Social Justice Day" with the objective of voicing opposition against social justice discrimination and fostering the creation of a socially integrated society. The commemoration coincided with the birthday of the reformist E.V. Ramasamy Periyar, adding historical significance to the occasion.

The event began with a pledge taken by our college students, signifying their commitment to the principles of social justice. The pledge was administered in the presence of key dignitaries, including our Principal, Administrative Officer, Dean of Academic Affairs, Controller of Examination, and Teaching Staff Members.

The celebration served as a platform to illuminate the importance of human rights and equality for the betterment of society. Through discussions, activities, and awareness sessions, students were sensitized to the pressing issues affecting our society, including poverty, gender inequality, unemployment, human rights violations, and social exclusion.

The focus on E.V. Ramasamy Periyar's birthday underscored the connection between the event and the pioneering efforts of individuals who advocated for social reform and justice. By paying homage to Periyar, the celebration aimed to inspire students to carry forward the legacy of promoting equality and justice in society.

The success of the event was reflected in the heightened awareness and understanding among the students regarding the multifaceted nature of social justice. The pledge taken on this occasion symbolized a collective commitment to contribute to the creation of a society that upholds human rights, equality, and justice for all. The event was a step towards nurturing socially conscious individuals who recognize their role in building a more equitable and inclusive world.
