Title	Lab Visit by School Children		
Convener	<b>Dr.G.Indira Rani</b> Head & Associate Professor of Zoology EMGYWC		
Beneficiaries	<b>School Students - 22</b>		

### EXTENSION SERVICE

#### Objectives:

- To promote awareness and interest in the field of Zoology among school students.
- To provide hands-on exposure to biological specimens and laboratory equipment.
- To encourage scientific curiosity through observation and interaction with real-time lab activities.
- To bridge the gap between school-level science education and higher studies in life sciences.
- To inspire young minds to pursue careers in biological sciences.

#### Programme Outcome:

The extension activity provided an enriching experience for the visiting school children. They observed various biological specimens and lab setups with great interest. College students enthusiastically demonstrated the handling of specimens, explained their structures, and engaged the visitors with interesting facts about the animal kingdom. The interactive
