DEPARTMENT : PHYSICS

ACTIVITY : BRIDGE COURSE

YEAR : 2018– 2019

DEPARTMENT OF PHYSICS

DATE	TIME	VENUE
11.07.2018	10:00 a.m. to 11:00 a.m.	I B.Sc. Physics Classroom, EMGYWC
Nature of the Activity		Bridge Course Course
Title		Physics to Enrich The Knowledge
Convener		**Mrs.R.Kayalvizhi** Head & Assistant Professor of Physics EMGYWC
In charge Staff		**Mrs. R. Gurulakshmi** Assistant Professor of Physics EMGYWC
Participants		**Students -** 51

BRIDGE COURSE ON "PHYSICS TO ENRICH THE KNOWLEDGE"

Objectives:

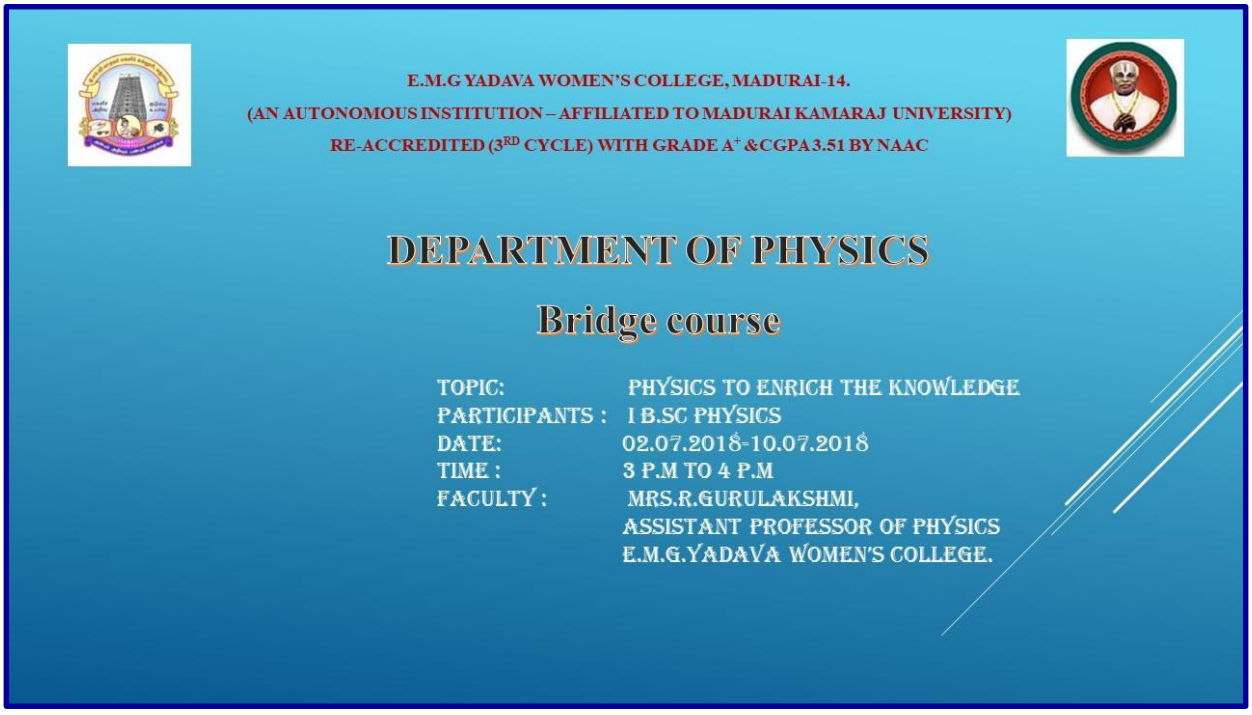
The objective of the Bridge Course was to strengthen the foundational knowledge of students in Physics, particularly for those entering undergraduate programs. This session aimed to bridge the academic gap between school-level physics and the more advanced concepts they would encounter in college. The course introduced essential terms, fundamental principles, and basic laws of Physics to help students build confidence and prepare for higher studies

Programme Outcome:

As a result of the programme, students developed a clearer understanding of core physics concepts such as motion, energy, force, work, and basic measurement techniques. They were introduced to standard scientific terminology and learned to apply logical reasoning to physical phenomena. This foundational exposure helped reduce academic anxiety and created a smooth transition into college-level Physics. Overall, the course enabled students to approach their future studies with increased clarity, enthusiasm, and a stronger academic base.

Enclosures:

a. Invitation:



E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE
