| Participants           | Students: 35                                                            |                                  |

### GUEST LECTURE ON "FUNCTIONAL FOODS"

#### Objectives:

To encourage students to learn using laptops.

#### Programme Outcome:

The major outcome of this lecture programme was that it helped students learn the subject through technology using laptops, making it easier for them to understand the concepts effectively.
