### BRIDGE COURSE

#### Objectives:

To bridge the gap between subjects studied at the higher secondary level and those encountered in undergraduate studies.

#### Program Outcome:

Students become familiar with various terminologies and the different papers to be studied across all six semesters, facilitating a smoother transition to undergraduate education.

#### Report:

#### Program Highlights:

Introduction to Undergraduate Curriculum: The course provided an overview of the subjects and papers to be studied each semester, helping students understand the academic structure of their undergraduate program.

## **E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE**

**Terminology Familiarization:** Students were introduced to key terminologies and concepts that are foundational for their undergraduate studies, ensuring they are well-prepared for advanced topics.

**Skill Development Sessions:** Workshops and interactive sessions focused on developing critical academic skills such as note-taking, and effective study techniques.

**Mentorship and Guidance:** Senior students and faculty members offered guidance and mentorship, sharing insights and tips for succeeding in undergraduate courses.

**Practical Exercises:** Hands-on activities and exercises related to core subjects helped reinforce learning and build confidence in handling university-level coursework.

### **Detailed Program Structure:**

**Orientation Session:**

Overview of the undergraduate program.

Introduction to faculty and senior students.

**Subject Overviews:**

Detailed introductions to each subject area for all six semesters.

Explanation of the scope and significance of each paper.

**Academic Skills Workshops:**

Sessions on effective study habits, time management, and academic writing.

**Practical Activities:**

Laboratory exercises, field visits, and practical demonstrations related to major subjects.

**Mentorship Program:**

Pairing students with senior mentors for personalized guidance.

Regular check-ins to address any academic or personal concerns.

**Impact:**

The bridge course successfully equipped students with the foundational knowledge and skills needed to thrive in their undergraduate studies. By familiarizing them with the curriculum and key terminologies, the program alleviated the initial academic pressure and built confidence. The mentorship component established a supportive learning environment, encouraging students to seek help and stay motivated. Overall, the bridge course laid a strong foundation for academic success and a positive university experience.
