Convener	Dr. (Mrs) V.Pushpalatha Principal i/c Head & Assistant Professor of Commerce EMGYWC	
Resource Person	Ms. Akshatha Director Jupiter king Technologies, Mysore.	
Participants	Faculty - 5 Students - 50	

INDUSTRIAL VISIT ON JUPITER KING TECHNOLOGIES, MYSORE

Objectives:

- To provide students with practical exposure to the functioning of an IT and software development company.
- To understand the latest technologies, software development processes, and industry practices.
- To enhance students' technical knowledge, communication skills, and professional awareness.
- To motivate students to develop industry-relevant skills and prepare for future employment.

Programme Outcomes:

The industrial visit to Jupiter King Technologies, Mysore provided students with practical exposure to the functioning of an IT company and its work environment. Students gained an understanding of the software development process, industry practices, professional ethics, and emerging technologies. The interaction with industry professionals enhanced their communication, analytical, and problem-solving skills while creating awareness about career opportunities and the skills required in the IT sector. Overall, the visit bridged the gap between classroom learning and real-world industrial applications and motivated students to develop industry-relevant skills for better career prospects.
