**EXTENSION ACTIVITY "LECTURE CUM DEMO"**

**Objectives:**

To effectively share knowledge and expertise with students and facilitate their learning.

**Topics Covered:**

The facilitators covered various topics in Zoology relevant to the IX standard curriculum. The topics included animal classification, anatomy, physiology, and ecological concepts.

**Activities Conducted:**

**Interactive Lectures:**

The facilitators delivered interactive lectures to engage the students and facilitate a better understanding of the subject matter.

**Demonstrations:**

Practical demonstrations were conducted to illustrate key concepts, such as animal dissection and habitat analysis.

**Question and Answer Sessions:**

Students were encouraged to ask questions and participate in discussions to clarify doubts and deepen their understanding of the topics.

**Outcome:**

The Zoology classes for IX standard students were well-received and highly beneficial. The students actively participated in the sessions, demonstrating their interest in the subject. The Extension Programme provided an opportunity for the students to gain additional knowledge and fostered their enthusiasm for Zoology.

Feedback from both the students and the school authorities was collected to assess the effectiveness of the programme and identify areas for improvement.
