| Participants           | Students - 92                                                                                                       |                                                       |

**ENTRY LEVEL TEST**

**Objectives:**

- To assess and enhance the fundamental computer knowledge of first-year B.Sc. Computer Science students.
- To identify students' strengths and areas for improvement in basic computing concepts, thereby preparing them for core subjects in the curriculum.

**Program Outcome:**

- Students gained a clearer understanding of basic computer concepts, hardware, software, operating systems, and foundational programming logic.
- The test helped bridge knowledge gaps and improved their readiness for advanced computer science topics.

## **E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE**

- It raised confidence in using essential tools and techniques required for academic and practical applications.
