

DEPARTMENT : ZOOLOGY

ACTIVITY : SCIENCE-EXPO

YEAR : 2019-2020

DEPARTMENT OF ZOOLOGY

DATE	TIME	VENUE
20.02.2020 & 21.02.2020	10.00 a.m. to 4:00 p.m.	Zoology Laboratory, EMGYWC
Theme		The potential for innovation
Nature of the Activity		Exhibiting Biological Models
Title		State-Level "Science Expo"
Convener		Dr.G.Indira Rani Head & Associate Professor of Zoology EMGYWC
No. of Participants		
Faculty Coordinators		Students
5		40

STATE-LEVEL SCIENCE EXPO

Objectives:

A two-day State Level Science Expo was organized at our college from February 28 to March 1, 2019, to showcase innovative projects and models created by students from various schools and colleges. The event aimed to promote scientific thinking and creativity among the participants.

Highlights:

The State Level Science Exhibition was inaugurated by Dr. N. Vasudevan, Associate Professor of Physics, Thiayagarajar College of Engineering, who graced the occasion as the chief guest.

Participation:

Various schools and colleges participated in the event, contributing a diverse range of projects and models.

Zoology Department's Contribution:

Students from the Zoology department presented an array of models highlighting different aspects of biology.

Models:

Biogas plant, Human blood groups, Digestive system, Oyster culture, Antigen and antibody reactions, Recovery of oil spilling in the ocean, DNA model, Wildlife Conservation, Coral reefs, Penicillin production

Outcome:

The event provided a platform for students to showcase their scientific knowledge and creativity, encouraging them to explore various scientific concepts. The event encouraged innovation and critical thinking among students, inspiring them to develop solutions to real-world problems. The contributions of the Zoology department in setting up diverse and informative models further enriched the event and highlighted the department's commitment to scientific education and research.
