DATE(S)	TIME	VENUE
17.12.2018 to 24.12.2018	9:30 a.m. to 4:00 p.m.	Nutrition Lab EMGYWC
Nature of the Activity		Workshop
Title		Cake Making
Convener		P.Tamilarasi Head & Assistant Professor of N & D EMGYWC
Resource Person		K.Siva Prakasam
No. of Participants		Students- 35

WORKSHOP ON "CAKE MAKING"

Objectives:

- To develop and promote entrepreneurial skills among students.
- To inspire students to explore opportunities in starting their own bakery units.

Programme Outcome:

The workshop on cake making provided hands-on training in baking techniques, recipe customization, and food presentation. It significantly enhanced students' practical knowledge and entrepreneurial confidence. The session also introduced them to the basics of setting up a small bakery business, including cost management, marketing strategies, and hygiene standards. As a result, students were motivated to consider bakery entrepreneurship as a viable career path, laying the foundation for starting their own bakery units in the future.
