

DEPARTMENT : COMPUTER APPLICATIONS

ACTIVITY : GUEST LECTURE

YEAR : 2019-2020

DEPARTMENT OF COMPUTER APPLICATIONS

DATE	TIME	VENUE
05.07.2019	10:30 a.m. to 12:00 noon	MCA Classroom EMGYWC
Nature of the Activity	Guest Lecture	
Title	Basic Concepts of Python	
Convener	Dr.(Mrs.) S.Vijayasankari Head, Assistant Professor of Computer Applications EMGYWC	
Resource Person	Miss. Hema Priya NIIT A.K. Road, Madurai	
Participants	Students - 146 Faculty - 6	

SEMINAR ON "BASIC CONCEPTS OF PYTHON"

Objectives:

- To introduce Python as a beginner-friendly scripting language.
- To help students understand the fundamentals of Python programming.
- To provide guidance on how to design and develop basic Python applications.

Programme Outcome:

- Students became comfortable with Python programming concepts.
- They gained the ability to apply Python skills to solve real-world problems.
- The seminar helped improve logical thinking and coding proficiency among participants.
