BRIDGE COURSE ON "AN INTRODUCTION TO COMMERCE"

Objectives:

- The bridge course aims to bridge the gap between subjects studied at the Higher Secondary level and those at the Undergraduate level.
- It is designed to provide students with a smooth transition by familiarizing them with the foundational concepts and terminologies they would encounter in their degree program.

Programme Outcomes:

Upon the successful completion of the programme, the students will be able to:

1. Become familiar with various terminologies and different subjects to be studied over the six semesters, ensuring that they were well-prepared for their academic journey.
2. Understood the transition from one educational level to another, helping them to adapt more easily to the increased complexity and expectations of undergraduate studies.
3. Gain essential skills and knowledge required for success in their new educational
