EXTENSION ACTIVITY "IRRIGATION OF NEWLY PLANTED SAPLINGS"

Objectives:

Growing a tree does not stop with just planting it. We need to water it and maintain with love and care, so that we shall cherish the benefits and goodness of fully grown tree. Our NSS team has rightly understood the concept behind growing a successful tree.

We jointly worked and watered all the trees and saplings in our college campus. NSS volunteers of all the four units helped in watering the tree saplings on 14.09.2021.

- Students actively participated in watering the tree saplings in our college campus
- NSS Programme officers and students jointly took part in watering the new tree saplings
