Coordinators	K. Gowsalya K. Janaki Assistant Professors of N&D	
No. of Participants	Faculty- 2 Students- 10	

**CONSULTANCY ACTIVITY - PREPARATION OF "GROUND NUT LADOO"**

**Objectives:**

To encourage students to explore innovative food product development. Through the preparation of groundnut ladoos, students are motivated to understand the fundamentals of creating a marketable food product, which can pave the way for establishing their own entrepreneurial ventures.

**Programme Outcome:**

Through hands-on experience in preparing groundnut ladoos, students gain practical knowledge in product development, hygiene practices, packaging, and pricing strategies. Additionally, they acquire essential marketing and sales skills by promoting their products to potential customers. This consultancy activity helps build their confidence to become successful food entrepreneurs, fostering self-reliance and business acumen.
