Resource Person	Mr. Esakkimuthu Proprietor of Kamala Apiary Unit, Kalakad	
No. of Participants	Faculty - 5 Students - 51	

FIELD VISIT ON "APICULTURE VISIT AND SIGHTSEEN AT KANYAKUMARI SEASHORE "

Objective:

To enhance classroom learning by providing real-world experiences and connections.

Program Outcome:

Field trips like this ignite students' interest in potential future careers, particularly in becoming an entrepreneur.

Program Highlights:

Apiculture Exploration: Students visited a local apiary to observe and learn about beekeeping practices, honey production, and the vital role bees play in pollination and ecosystem health.

Hands-On Learning: Participants engaged in interactive sessions with experienced beekeepers, gaining insights into the skills and knowledge required for successful apiculture.

Environmental Education: The visit included discussions on the environmental impact of beekeeping and the importance of sustainable agriculture practices.

Sightseeing at Kanyakumari Seashore: The trip also featured a visit to the scenic Kanyakumari Seashore, where students explored the unique coastal environment and its diverse marine life.

E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

This field visit provided students with practical knowledge and a deeper understanding of apiculture, fostering an appreciation for the interconnectedness of agriculture and environmental stewardship. By witnessing the potential of apiculture as a viable business, students were inspired to consider entrepreneurial ventures in the future. The combination of hands-on learning and environmental education aims to equip students with the skills and motivation to pursue innovative and sustainable careers.
