CONSULTANCY ACTIVITY ON "HOW TO USE ATM CARD?"

Objectives:

- To educate rural individuals on the safe and effective use of ATM cards.
- To raise awareness about digital banking practices and promote financial literacy.
- To reduce dependence on intermediaries by empowering participants to perform basic banking transactions independently.

Program Outcome:

- Participants gained practical knowledge of how to use ATM cards for cash withdrawal, balance inquiry, and other essential banking services.
- They understood the importance of PIN security and learned to use ATMs confidently in public places.
- The program contributed to enhancing digital inclusion and self-reliance among rural communities.
