### ADD ON COURSE "FRONT END WEB DEVELOPMENT"

#### Objectives:

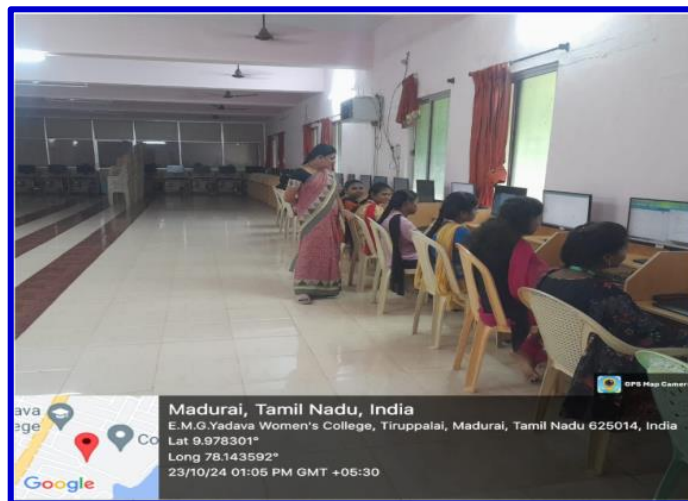

- To understand the concept of website themes and their role in front-end design.
- To identify the components of a website theme, including layout, colors, fonts, and styles.
- To understand how themes enhance user experience and visual consistency
- To learn how to apply and customize themes in website-building platforms.
- To modify elements such as headers, footers, menus, and page layouts.

## **E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE**

### **Program Outcomes:**

1. Ability to explain the concept and purpose of website themes in front-end design.
2. Ability to identify key components of a theme such as layout, colors, typography, and templates.
3. Ability to understand how themes improve user experience and maintain visual consistency.
4. Ability to apply and customize website themes using different platforms.
5. Ability to modify elements like headers, footers, menus, and page layouts.

### **Photographs:**

**The Department of Computer Applications has conducted Add on Course entitled “Front End Web Development” for E.M.G Yadava Women’s College, Madurai on 23.10.2024**
