**SEMINAR ON "HIGHER EDUCATION IN ABROAD"**

**Objectives:**

- To create awareness about the opportunities and challenges of pursuing higher education abroad.
- To provide detailed information on admission processes, scholarships, and financial aid available for studying abroad.
- To help students understand the cultural, academic, and lifestyle differences in foreign countries.
- To guide students in selecting the right universities and courses based on their career goals and academic profiles.

**Programme Outcome:**

1. The seminar provided students with a clear understanding of the various pathways to higher education abroad.
2. Students gained insight into the financial aspects, including scholarships and funding options available.
3. It helped students identify suitable countries and universities based on their field of interest and academic background.
4. Students became more confident in navigating the application process for international universities.
5. The seminar served as an eye-opener, motivating students to pursue higher education abroad by overcoming doubts and concerns.
