CONSULTANCY ACIVITY –SALE OF BOOK

Objective:

1. To impart quick and easy understanding of mathematical formulas for the students through this handbook.
2. To generate income through “Book Sale” and help the students understand “Sales Strategies”.

Programme outcome:

On successful completion of the programme,

1. Science and Engineering students got a comprehensive overview of mathematical concepts, in a simplified, flexible and practical way of understanding through the content of the book.
2. It also boosts the student’s self confidence in the preparation of academic and competitive examinations.
