

E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

DEPARTMENT : PHYSICS

ACTIVITY : EXTENSION SERVICE

YEAR : 2017– 2018

DEPARTMENT OF PHYSICS

DATE	TIME	VENUE
02.02.2018	10.30 a.m. to 12:30 p.m.	Arulmigu Sundrarasa Higher Secondary School, Alagar Kovil, Madurai.
Nature of the Activity	Extension Service	
Title	Workshop on Screw Gauge & Ohm's Law Experimentation	
Convener	Mrs.S.Puvaneswari Head & Assistant Professor of Physics EMGYWC	
In charge Staff	Mrs.P.Revathi & Ms.K.Saranya Assistant Professors of Physics EMGYWC	
Participants	School Students - 10	

WORKSHOP ON "SCREW GAUGE & OHM'S LAW EXPERIMENTATION"

Objectives:

- To understand how to measure thickness using a screw gauge.
- To gain knowledge about the Ohm's Law experiment and familiarize students with common physics lab equipment.

Programme Outcome:

- The programme inculcated essential knowledge about various physics lab equipment and enabled participants to understand and use the screw gauge effectively.
