INDUSTRIAL VISIT TO FOOD COMPANIES

Objectives:

1. To provide students with an opportunity to visit subject-related food companies and observe their operations.
2. To enhance students' understanding of industrial processes related to their field of study.
3. To bridge the gap between classroom learning and practical exposure through industrial visits.

Programme Outcomes:

1. Students gained practical knowledge and hands-on experience in food processing and production techniques.
2. Students developed a better understanding of industrial operations, quality control, and safety standards in food companies.

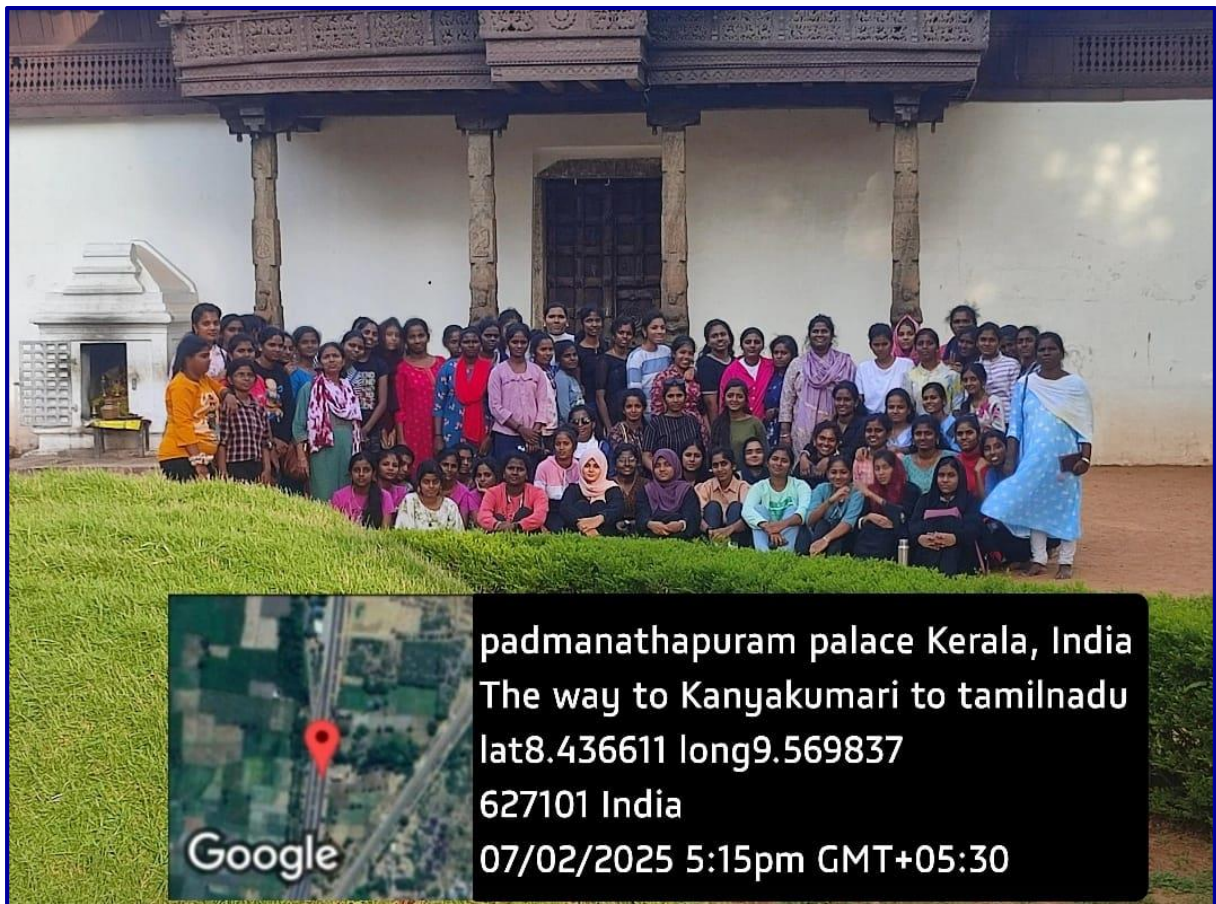

E.M. GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

3. Students enhanced their technical skills, confidence, and readiness for employment in the food industry.
4. The programme helped bridge the gap between theoretical learning and real-world industrial practices.

Student Feedback:

Students expressed positive feedback and appreciated the valuable hands-on experience gained during the programme. They stated that the visit enhanced their practical knowledge and improved their confidence for future careers in the food industry.
