GUEST LECTURE ON "HEALTHY LUNGS - AN OVERVIEW"

Objectives:

- To impart knowledge about the structure and functions of human lungs.
- To create awareness about maintaining lung health and understanding related medical interventions.

Programme Outcome:

The guest lecture offered a comprehensive understanding of the anatomy and

physiology of the human lungs. Students gained insights into how lungs function, the importance of respiratory health, and habits that support optimal lung performance. The session also covered the dos and don'ts for maintaining healthy lungs and discussed the merits and challenges of lung transplantation. As a result, students developed a deeper appreciation for the respiratory system and were motivated to adopt practices that contribute to lifelong lung health.
