HAIR DONATION FOR MEDICAL CAUSE

Objectives:

1. To raise awareness about the importance of hair donation for medical purposes, particularly for cancer patients and individuals suffering from hair loss due to medical treatments.
2. To encourage students and staff to contribute towards the well-being of those in need by donating hair, thereby supporting the creation of wigs that help restore confidence and dignity.
3. To inspire students and staff to contribute by donating their hair, and spreading a message of hope and support to cancer survivors.

E.M.GOPALAKRISHNAKONE YADAVA WOMEN'S COLLEGE

4. To promote a culture of compassion and social responsibility within the college community by engaging in charitable activities.

Programme Outcomes:

1. Participants, including students and staff, donated their hair, providing a valuable contribution to the creation of wigs for individuals undergoing medical treatments.
2. The event promoted empathy, social responsibility, and community involvement, inspiring further charitable efforts to support medical causes.
3. A significant number of students and staff donated their hair, contributing to the creation of wigs for cancer patients, thereby boosting their confidence and mental well-being.
4. The event successfully instilled a sense of empathy and social responsibility, encouraging participants to continue engaging in charitable causes and support initiatives, especially for cancer patients.
5. Strengthened the partnership between E.M.G. Yadava Women's College and Rotary Club, Madurai, in promoting community-driven welfare activities.
6. Both students and faculty members actively participated by donating their hair to the cause, contributing to the creation of wigs for needy patients, which significantly helped restore their confidence and dignity during treatment.
7. The event enhanced a sense of unity and compassion, encouraging participants to take part in future charitable endeavours aimed at supporting cancer survivors.
