EYE CAMP BY THE NSS TEAM

Objectives:

1. To provide free/basic eye screening and vision assessment for students and the local community.
2. To identify common eye problems such as refractive errors, cataract, glaucoma, and eye infections at an early stage.

E.M.GOPALAKRISHNA KONE YADAVA WOMEN'S COLLEGE

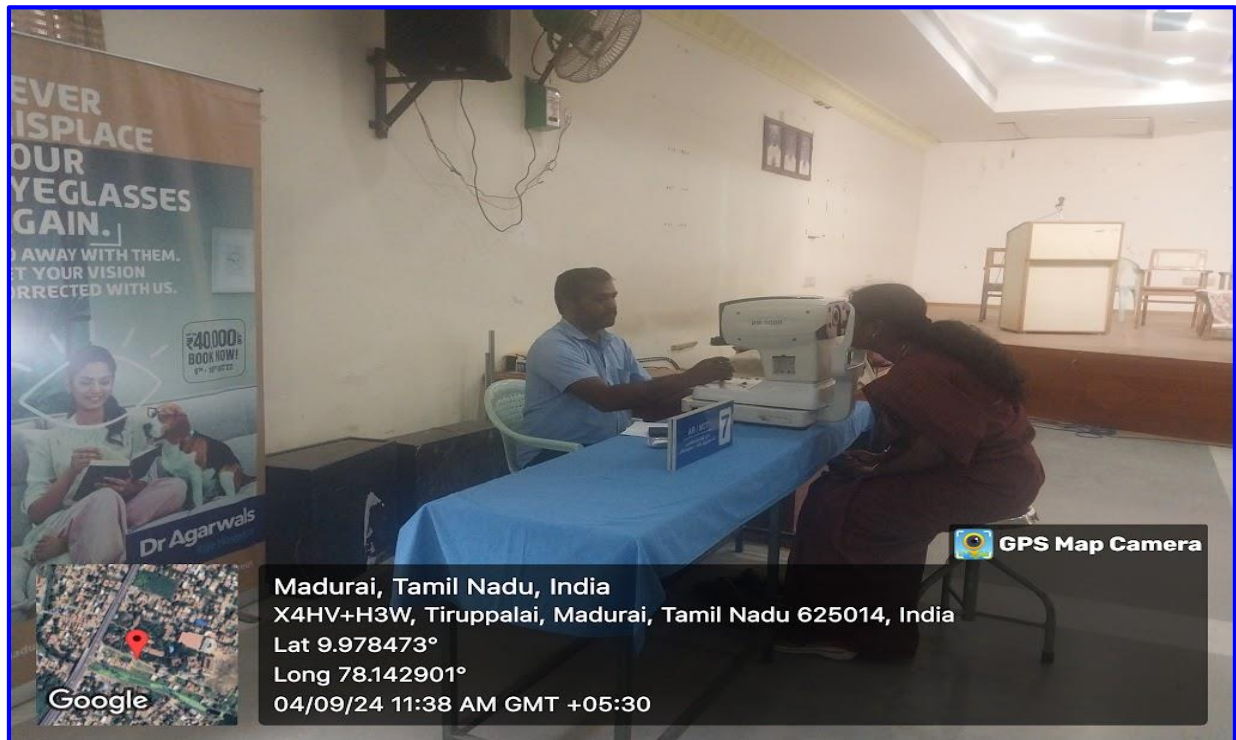

3. To create awareness about eye health, hygiene, and the importance of regular eye check-ups.
4. To educate participants on preventive measures to avoid eye strain and vision-related disorders.
5. To facilitate referral services for advanced diagnosis and treatment when required.
6. To promote eye donation awareness and responsibility towards preventing avoidable blindness.
7. To support the overall health and well-being of individuals through improved vision care.

Programme Outcomes:

1. Students and community members underwent free eye screening, leading to early identification of common eye conditions such as refractive errors, cataract, glaucoma, and eye infections.
2. Participants gained increased awareness of eye health, hygiene practices, and the importance of periodic eye examinations.
3. Individuals experiencing vision-related issues were guided with appropriate referrals for advanced diagnosis and treatment.
4. Awareness regarding preventive eye care, including measures to reduce eye strain and protect vision, was significantly enhanced.
5. The programme promoted positive attitudes towards eye donation and social responsibility in preventing avoidable blindness.
6. Improved vision care contributed to better academic performance, work efficiency, and overall quality of life among participants.
