STATE LEVEL ONLINE QUIZ COMPETITION

Objectives:

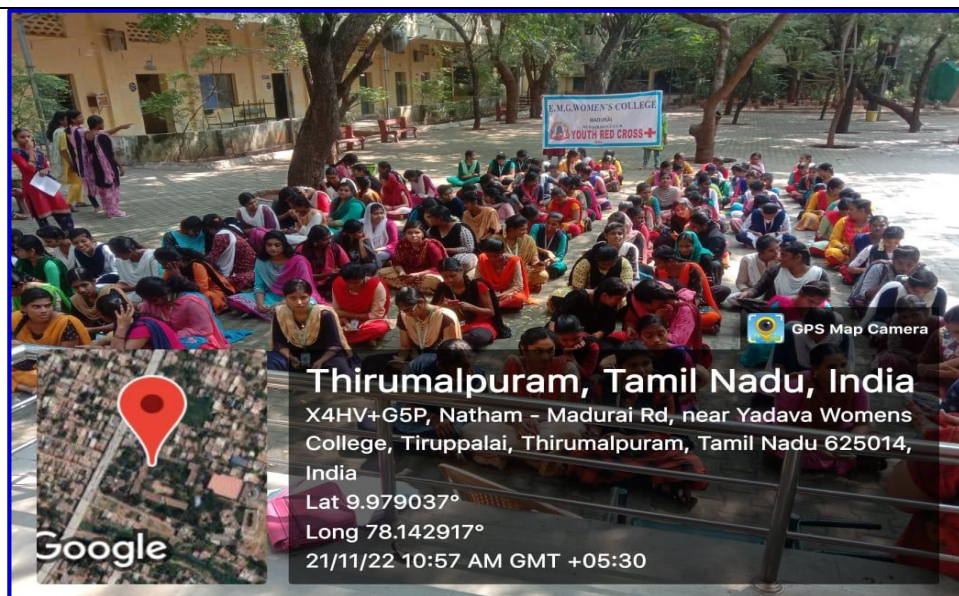

- To raise awareness among students about HIV, AIDS, and the importance of safe blood donation practices.
- To dispel myths and educate participants about the prevention, transmission, and treatment of HIV/AIDS.
- To encourage interdepartmental participation through competitions that promote knowledge-sharing and collaboration.
- To enhance understanding of the role of blood donation in saving lives and contributing to social welfare.

Programme Outcome:

1. Students gained comprehensive knowledge about HIV/AIDS, its causes, prevention, and societal impact.
2. Participants developed a better understanding of the significance of safe and voluntary blood donation.
3. The interdepartmental competition enabled teamwork, collaboration, and active engagement in social health issues.
4. The state-level online quiz competition enhanced students' critical thinking and promoted awareness of health-related issues at a broader level.
5. The program empowered students to take proactive steps in raising awareness and contributing to community health initiatives.
